GRANT APPLICATION PROCEDURES

(Revised August 2020)

Applications, along with accompanying materials submitted, will become the property of the Foundation and will be used as deemed appropriate by the Foundation.

The submission dates are March 31st for spring grant requests and September 30th for fall grant requests. You will receive a copy of your completed application to retain for your records.

Applicants should carefully read all grant instructions. Applications must be complete. The applicant may call the Foundation staff for assistance in preparing or revising a grant request at any time.

Staff will review the grant request and may contact the applicant for any additional information needed or any clarification of the project. In some instances, the staff will make a "site visit" to the applicant. After the staff reviews and summarizes, all applications go before the Foundation's Grant Committee. The Grant Committee will make its evaluation and forward funding recommendations to the Board of Directors at its regular meeting. The Foundation then informs each applicant by letter of the board's decision, including any conditions placed on a grant.

Successful grants will be paid in May for the spring grant cycle and in November for the fall grant cycle.

NOTE: Applicants receive funding once a year, either Spring or Fall.

GRANT INSTRUCTIONS

Please read these guidelines carefully, as they govern our Grantmaking process!

I. GRANTMAKING GUIDELINES

Thank you for your interest in the Community Foundation of Randolph County, Inc. (the Foundation). The following information will assist you in determining whether to apply to the Foundation for funding and explain how to proceed if you are eligible to do so. Please review these materials carefully. While the Foundation would like to support all the vital work carried out by Randolph County's not-for-profit organizations, its financial resources are limited. The information provided through the application process helps the Foundation make sound decisions based on its mission, the directives of donors, and the Foundation's goal to provide practical assistance to as many organizations as possible.

II. POLICY STATEMENT FOR GRANTMAKING

The objective of the Foundation is to develop a protected pool of capital to generate income, so that the income can be used to energize and nourish endeavors that seek to serve the charitable, cultural and community improvement needs of the citizens now and hereafter residing in **Randolph County, Indiana**. Our grant policies are designed to conform to that overall objective.

III. WHO WE FUND

The Foundation makes grants to **tax-exempt 501 (c) (3) organizations** operating or proposing to run programs for the benefit of **Randolph County residents**.

IV. WHAT WE FUND

The Foundation makes grants to increase the capacity of Randolph County's not-for-profit organizations to respond effectively to the needs of the community. In general, the Foundation *prefers* funding for:

- Start-up costs for new programs
- One-time projects or needs
- Capital needs beyond an applicant's capabilities and means.

Also, field of interest funding is available on a limited basis for the areas of:

- Arts and culture
- Civic and community development
- Education and libraries
- Environmental and historical preservation
- Health and human services
- Scholarships
- Youth
- Elderly

Historically, the Foundation has funded projects in the areas of community betterment, arts, and culture, health and human services, youth, economic development, and education.

Legal requirements forbid staff, board members, and their families from profiting financially from any philanthropic grant. All persons actively connected to the Foundation will avoid self-interest in the processing and distribution of grant requests.

V. WHAT WE DO NOT FUND

The Foundation will *not* normally consider grants from the Community Enrichment Fund for the following purposes:

- Individuals other than scholarships (separate applications exist for scholarship programs)
- Organizations for religious or sectarian purposes
- The make-up of operating deficits, post-event or after-the-fact situations
- Endowment campaigns
- Any propaganda, political or otherwise, attempting to influence legislation or attempt to intervene in any political affairs or campaigns.
- Services such as fire, police, schools, parks, etc. are the responsibility of the government and are tax-supported. (We will, on occasion, however, support special projects of these agencies)

The Foundation board is *reluctant* to approve grants to any organization to maintain an on-going operating budget or for multi-year grant requests. (Please contact the Foundation office before submitting a multi-year grant request). However, exceptions to this may be made at the discretion of the board.

All proposals will be reviewed by Foundation staff for completeness and to ensure they fit within the general guidelines.

VII. GENERAL POLICY CONCERNING GRANTS FROM THE COMMUNITY ENRICHMENT FUND INCOME

- Define a realistic, workable plan, which shows an ability to complete the project and accomplish the goal;
- Clearly gives evidence of the qualifications and stability of the applicant;
- Identifies sources of future funding on start-up projects;
- Involves a broad spectrum of the population and provides a sound estimate of the number of residents impacted;

The Grants Committee is responsible for determining that each project meets the legal requirements of the Foundation as well as the Foundation's objectives.

VIII. PROPOSALS SHALL INCLUDE

- Application Narrative
- Project Budget
- Pertinent supporting information
- IRS Letter of Determination for 501(c)(3) designation
- List of your organization's/agency's officers or governing body
- Letter of support by governing body
- Evidence of board support (meeting minutes)
- Previous year's financial statement showing income and expenses (annual report)

IX. WHEN TO APPLY

The Foundation Board considers grants two times each year – in March and September. Spring grant requests must be submitted no later than March 31st and the fall grant requests must be submitted no later than September 30th. Applicants can only be funded once per year.

A notice will be placed in local papers in March and August, notifying all interested organizations that the Foundation will be receiving and considering applications for grants during March and September. This notice will state that the grant cycle is open, and the application will be available online.

X. THE GRANTS DISTRIBUTION PROCESS

Requests are received, reviewed, and acted on twice a year. Deadline dates will be announced in local media approximately one month in advance of deadline dates for submission of grant applications. The deadline dates are September 30th and March 31st for receipt of completed applications. Completed applications must be in the Foundation office by 4:30 p.m. on the deadline date or the last Friday if the deadline date falls on a Saturday or Sunday.

One copy of each request is provided to each member of the Grants Review Committee, and one copy of each application is provided to the five Regional Advisers. Regional Advisers include one citizen from each of the five school districts in Randolph County. These are not advocates for the schools but the citizens of the geographic area contained in the school district. The purpose of the advisors is to secure citizen input from all areas of the county.

The Grants Review Committee of the board and the advisory committee will meet to review the grant requests approximately one week before the April board meeting and the October board meeting. The Grants Review Committee will present their recommendations to the full board in the board's April and October meetings. Following the board meetings, each applicant is notified in writing of the board's decision and any conditions placed on grants such as written progress reports on the projects, requests for on-site visits, and personal appearances by the applicant to assure the Foundation board that grant funds are properly used in accordance with their request.

Once a grant is received, the Foundation anticipates that the funds are expended during the calendar year awarded. **Failure to use funds for the purpose designated will result in an obligation to repay grant money!** If it appears implementation of the project or program will be delayed, the grant recipient must submit a written explanation which contains a request to encumber the funds for the following calendar/fiscal year. The Foundation's Board of Directors will determine if the funds may be held over or if the applicant must reapply in a subsequent grant cycle.

It is appropriate to take the initiative to solicit grant applications or to develop projects coordinated by the Foundation to address specific community issues that have not been selected by an organization. It may be necessary to solicit a sponsor or sponsors if the need is great and of immediate need. This puts the Foundation in a position of being pro-active rather than just reactive.

Community Foundation of Randolph County, Inc. reserves the right to revoke a grant if the implemented project does not comply with our guidelines or reflect the application that was submitted.
