BRINGING PEOPLE & RESOURCES TOGETHER

Spring/Summer 2026

"From Revolution to National Pride" A Randolph County Concert Featuring student musicians alongside the Purdue Wind Ensemble, Celebrating 250 Years of Our Great Experiment in Liberty

Max & Dianne Jones Memorial Music Lesson Scholarship Fund

Those involved in local marching band over the years know that Max Jones had an incredible impact. He continues making impact, bringing Randolph County High School bands and the Purdue Wind Ensemble together.

The Max & Dianne Jones Memorial Music Lesson Scholarship Fund was established to ensure that each and every band and choir student at Winchester Community High School can participate in private music lessons. The fund provides financial assistance, based on need, to cover 50% of the cost for a private music lesson up to $10 per lesson for a maximum of 20 lessons, per student, per school year, and will be renewable each of a student's four years of high school.

Letter from Lisa

Lisa Jennings, Executive Director

February 1 marked the 10th anniversary since I joined the Community Foundation of Randolph County (CFRC) as executive director, and the amount of support and success we have enjoyed during this time is too long for this column. With our new marketing and publicity campaigns, new software for scholarship and grant processes, highly engaged board members and staff, we are really hitting on all cylinders now and look forward to what's to come. The community's response to our changes has been overwhelmingly positive. With new and existing donors stepping up to meet the challenge of Lilly Endowment's GIFT XIII last year, this never-before accomplishment helped grow the CFRC assets from $14 million to nearly $20 million in just 24 months!

A cornerstone of our growth, however, is Lilly Endowment Inc. Responsible for the creation of most of Indiana's community foundations, Lilly Endowment's continued commitment to Indiana through their GIFT (Giving Indiana Funds for Tomorrow) initiatives is what continues to fuel our engine. The impact of this extraordinary benefactor continues to prompt donors and inspire our talented team. After meeting our GIFT VIII goal in November, we received $750,000 from Lilly Endowment. We are preparing to steer more than $600,000 in new grant funding into the county over the next three years. I was shocked at the Oct. 1 announcement of GIFT IX, which comes in two parts — a community project grant of $750,000 and an additional $750,000 to provide a $2 match for every $1 donated to unrestricted giving. Never before have two GIFT cycles overlapped! Donors can triple every dollar given, while funds last. This is the perfect time to give back for the benefit of our county and to ensure we secure this wonderful opportunity.

This year is off to a great start, as you will see the many activities highlighted in this spring newsletter, and there is much more to come. My 10 years at the Community Foundation of Randolph County have been wonderful, and with our dynamic board, committees and dedicated staff in place, we look forward to continuing to help Randolph County grow and become an even better place to live.
We're feeling especially hopeful this year thanks to the steady generosity of friends like you. Thank you for all you give back to Randolph County!

Sincerely,

Lisa Jennings

DONATION MATCH

TRIPLE YOUR IMPACT

GIVE YOUR GIFT AND SUPPORT YOUR COMMUNITY

YOUR UNRESTRICTED DONATION IS MATCHED 2 TO 1

YOUR GIFT WILL IMPACT RANDOLPH COUNTY FOREVER

Learn more about unrestricted funds by scanning the QR code!

Your gift to any unrestricted fund will be matched $2 to $1 through Lilly Endowment's GIFT IX matching grant program.

New Faces at the Foundation

Diana Fahl
Board Member

In the early 1990's Diana Fahl began working at Indiana University East, and was a committed member of their team for many years up to her retirement. Working in the education field, she saw the practical needs that students experience when trying to continue their education after high school. Seeing where there was a gap for students to be successful, she has been a part of multiple scholarship opportunities for students. The most recent is the establishing of the Diana Fahl Sciences Scholarship held at the Community Foundation of Randolph County.
In addition to her many philanthropic efforts, she lives in Lynn with her husband, Andy.

Krista Haney
Board Member

As a lifelong Randolph County resident, Krista is excited to join the Community Foundation as a board member. After graduating from Winchester Community High School she attended Ball State University earning a Bachelor's degree in nursing. She worked in various nursing jobs for 31 years before retiring last year.
Krista spent many years volunteering at Monroe Central, where her children attended, in the classroom, though PTO, Bear Backers, and team mom for her kids' sports teams. She is looking forward to this opportunity to give back to the community.
She lives in Farmland with her husband, Matt. They have 3 daughters and a granddaughter. She enjoys travelling, reading, completing puzzles, learning to golf again and spending time with family.

Brad Hoggatt
Board Member

Brad Hoggatt is a life-long resident of Union City. He is a proud educator, having worked for Randolph Eastern School Corporation for the last 29 years, teaching grades 2, 3, 4, and 5, and also elementary music. Starting the 2026-2027 school year, he will be serving North Side Elementary School as the Assistant Principal. He is happily married to Amy (Clevenger) Hoggatt, a 28-year Special Education teacher for Randolph Central School Corporation. They are blessed to have three adult children- Reagan, Braydon, and Brennan. Outside of school, they both remain active in their church and community, volunteering for various events when they can. He looks forward to serving on the Community Foundation of Randolph County for the duration of his term.

Kelly Baron
Office Administrator

Kelly and her husband, Jeff, have made Randolph County home since 1997. Their children, Charles and Emma, are graduates of Union City Community High School. Kelly enjoyed a 35-year career in Medical Imaging, which included travel, teaching, and consulting. She joins the Foundation as an Administrative Specialist, supporting the work of the other team members. Kelly recently became a credentialed Master Gardener with the Wayne County Purdue Extension, and enjoys volunteering and educating the on community on related topics. Additionally, she has had fun working as a substitute teacher in the area schools this past year. When she is not working in her yard, she enjoys spending time with family and friends, and traveling.

We welcome back interns Audrey Black and Sarabeth Hargarten this summer through the Indiana Philanthropy Alliance's Community Foundation Intern program for college students.

HIGH ROLLERS FOR RANDOLPH COUNTY

CASINO NIGHT

HIGH ROLLERS, HIGH IMPACT: A NIGHT OF GIVING

The Community Foundation of Randolph County recently made history with our first ever High Rollers for Randolph County Casino Night! It was an evening of high stakes and even higher spirits, all centered around a common goal: investing in the future of our community.

From the games, tickets, live auction and silent auction, we are thrilled to announce that the event raised nearly $3,000. Funds raised will be poured back into the county, as they bolster upcoming grant cycles, which support the various nonprofit organizations serving Randolph County residents.

YOU ROLLED THE DICE, AND WE THANK YOU!

An event of this scale is only possible through the generosity of our partners. We would like to extend a special thank you to the Phi Delta Kappa Fraternity for providing their wonderful facility and being such gracious hosts.

We also want to recognize our incredible sponsors who helped turn this vision into a reality:

- Star 98.3
- The Winchester Speedway
- Leap Managed IT
- Cardinal Ethanol
- Estep Burkey Simmons
- Matchett & Ward Insurance

Thank you to everyone who attended and played a hand in supporting our community. We look forward to seeing the impact these funds will make in the hands of our local nonprofits!

Spring 2026 Grants

Grants were made possible through support from the Community Enrichment Fund, the Union City Community Fund, the EDP Renewables Charitable Fund, the City of Winchester Welcoming Indiana's Next Generation Fund, the Chris and Doreen Culy Family Charitable Fund, the Rural Randolph Cares Agricultural Endowment Fund, the David and Lisa Jennings Charitable Fund, the Randolph County Heroes Fund, the Joel and Jane Flesher Family Endowment Fund, the Starr Family Fund, the Thomas L. and Janice A. Powers Family Charitable Fund, and the Whitacre Family Charitable Fund.

Art Association of Randolph County
$7,500 | Maybe Something Beautiful: A Community Mural & Engagement Initiative

Farmland Friends Church
$5,000 | Electricity installation for driveway lights and sign in pursuit of compliance with requirements of Red Cross Emergency Disaster Shelter

Winchester, City of
$5,000 | Beautification of Improved Streets project with tree plantings

YWCA Central Indiana
$2,500 | Steps to HER Success, a comprehensive housing continuum

DINNER AT GRAN'S

Thanks for buying your hero a meal!

In April, we partnered with Gran's Kitchen in Winchester. Buying a meal at this event supported the Randolph County Heroes Fund held at the Community Foundation of Randolph County. The Randolph County Heroes Fund is an unrestricted fund used to provide grants to nonprofit organizations serving Randolph County residents. That night, we ate a big dinner, guilt free, knowing we supported a local business while simultaneously assisting the nonprofits in our community.

Donations to the Randolph County Heroes Fund are currently being matched $2 to $1!

Randolph County Heroes Fund

Newest Heroes: Dale and Linda Dodd

Nominating a Hero

With a minimum gift of $1,000, anyone can nominate a person (living or deceased), business, or community organization to be designated as a Randolph County Hero. These gifts go into an unrestricted endowment fund, which the Community Foundation uses to support impactful work in Randolph County for generations to come. Donations to endowed, unrestricted funds — like the Randolph County Heroes Fund — will be matched $2 for every $1 donated while matching funds last. To see a list of our named heroes and their stories, visit the Randolph County Heroes page on our website.

AMERICA 250 CONCERT

Featuring the Purdue Wind Ensemble and Randolph County High School Band Members

The "From Revolution to National Pride" concert was a resounding success, bringing the community together at Winchester Community High School to celebrate America's Semiquincentennial. The event featured a powerful performance by the Purdue Wind Ensemble alongside talented student musicians from all five county high schools: Monroe Central, Randolph Southern, Winchester, Union, and Union City. Attendees also had the chance to explore the Freedom 250 mobile museum, which provided an interactive look at the nation's journey toward independence.

This historic milestone was made possible through a collaboration between the Community Foundation of Randolph County and The Winchester Foundation. Lisa Jennings, Executive Director of the Community Foundation, noted that the event was a testament to the creative ways local organizations can partner to support students and celebrate national pride. The synergy between these foundations ensured the event remained free and accessible to the public, fostering a deep sense of local unity.

The logistical feat of coordinating schedules between the six different schools was navigated by Max Jones, whose unique history with both Purdue and Randolph County schools proved invaluable. Jones worked closely with the Purdue Wind Ensemble to integrate the university's world-class talent with local high school performers. The result was a seamless musical tribute—featuring classics like "A Sousa Medley" and the "United States Armed Forces Salute"—that honored our shared history and the bright future of our county's youth.

Cultivating Community Randolph County
rccultivatingcommunity.com
facebook.com/CultivatingCommunityInRandolphCounty

In March, our Cultivating Community initiative headed to Main Street Assembly in Lynn for a session focused on the future of Randolph County. We invited community members to the table to share their vision for growth, discussing both areas for improvement and new additions they'd like to see in their own backyard.

The conversation was productive, covering several priorities for the county:

- Community Garden - Green Space & Sustainability
- Events - Discussion of all the events planned (there's a lot, check Yodel!)
- Mental Health - What are organizations doing now, and how can the community support
- Security & Safety - upgrades and recommendations
- Communication: Improving communication, and website recommendations

It's always inspiring in these sessions to see so many people invested in their county.

Our next session is scheduled for May 13 at 5:00pm at Bee Wings & Fuzzy Things (2163 E 750 N, Ridgeville, IN 47380)!

We also participated in the Business Expo and Volunteer Fair hosted by Randolph County United and Winchester Main Street. People that stopped by the booth got to learn about the ongoing action groups, working groups, and committees that have come out of these community sessions. And if they were interested, had the opportunity to volunteer and join!

FORUM OF FUNDERS

Cultivating Community is unique for many reasons, but one of the most meaningful elements of it is the Forum of Funders. When sessions get going and have ideas moving, funding can be a hurdle. But the Forum of Funders exists to support community projects that come out of these sessions! Here are the most recent projects that the Forum of Funders has voted and agreed to fund:

- Gracie's Gift
- Feeding Thinkers Community Garden
- Celebrate Trails Day Community Clean Up

If you have an idea on how to improve the quality of life in Randolph County, be sure to attend the next Cultivating Community session!

Celebrate Trails Day

COMMUNITY CLEAN UP

In a display of community collaboration, two Cultivating Community groups, the trails committee and the community clean up action group, joined forces on the Celebrate Trails Day - Community Clean Up event. In partnership with the Randolph County Recycling District and with support from the Forum of Funders, our Cultivating Community initiative participated in the national Celebrate Trails Day.

On Saturday, April 25, volunteers hit the ground running from 9:00 to 11:00 AM to beautify our public spaces and enjoy the outdoor amenities that make our region special. It was a morning dedicated to giving back, picking up litter, and appreciating the trail assets already existing in Randolph County.

We targeted multiple locations, where we provided trash bags, pickers, and snacks to keep our volunteers fueled:

- Cardinal Greenway: Volunteers gathered at the Losantville Trailhead to clear the path.
- McVey Memorial Forest: Supporters met at the Red-tail Land Conservancy parking area to help preserve this local treasure.
- Union City Gateway Trail: At Railroad Park, participants met to spruce up the gateway between our communities.

Events like these remind us that when we work together, we can ensure our county remains a clean, vibrant, and welcoming place for everyone to explore. A huge thank you to everyone who stepped up to make a positive impact!
